

I Like Music!
By Eugene Butler

I like music in ev'ry kind of way,
I like music ev'ry moment of the day.
Come on, people, let your music ring;
I like music you can hum or play or sing.

I like music if it's classical or not,
(Mu-sic, mu-sic)
Mu-sic, mu-sic,
(I like music if it's slow or fast and hot)
Pop music or a symphony;
I like music, it means so much to me. (I like op'ra!)

La, la, la, la, la, la, la, la, la, la-
I like rock and roll! (Dum,dum dum,dum,dum,dum,dum,dum,dum.)
I like a choir or a marching band.
(Or a marching band.)
I like music, it's heard through-out the land, the land.

Mu-sic, mu-sic
(I like music in ev'ry kind of way,)
I like music ev'ry moment of the day.
(Mu-sic, mu-sic)
Come on people, let your music ring!
I like music you can hum or play or sing!

Mu-sic, mu-sic
(I like music in ev'ry kind of way,)
I like music ev'ry moment of the day.
(Mu-sic, mu-sic)
Come on people, let your music ring!
I like music! Come on, people! Hum and play and sing!
